ABOUT US

Worplesdon Tennis Club is a thriving friendly club whose members play on four courts at the far end of Worplesdon Memorial Hall playing fields where we have a small clubhouse. Two of the courts are owned by the Club, whereas the other two are public courts which are available to the Club at selected times during the week – see over. All four courts have floodlights. In addition we have use of the new Sports Pavilion on the Memorial Hall Grounds.

New members, of all ages and standards, including students and those with disabilities, are always welcome. We have no 'playing in' policy as we aim to provide a village amenity.

Opportunities are available throughout the year for competitive tennis as we play in the Aldershot and District League and we run an Annual Club Tournament.

Regular courses and individual Tennis coaching are available.
