Club “Rules”

- ☛ We have no ‘playing-in’ policy – all are welcome, regardless of age or ability
- ☛ We have no strict dress code – though appropriate clothing is requested.
- ☛ During club sessions, we encourage players to mix after each set. If there are several players waiting, we have a policy of playing 5 or 7 games and then swapping. The number of games is dependent on the numbers waiting and the weather.
- ☛ It is requested that nets are lowered at the end of a session, electricity is switched off and mugs washed if used, leaving the clubhouse neat and tidy.
